Forward Fernandina

Survey

Survey

1. Where do you live?

Survey

1. Where do you live?
2. How could historic Centre Street downtown be improved to better address the needs of the community and existing businesses while continuing to attract visitors and/or new businesses?

Survey

1. Where do you live?
2. How could historic Centre Street downtown be improved to better address the needs of the community and existing businesses while continuing to attract visitors and/or new businesses?
3. What the most important elements that you want to see included in redevelopment of the waterfront?

Survey

1. Where do you live?
2. How could historic Centre Street downtown be improved to better address the needs of the community and existing businesses while continuing to attract visitors and/or new businesses?
3. What the most important elements that you want to see included in redevelopment of the waterfront?
4. How could the 8th Street entryway to Fernandina Beach be made more attractive?

Survey

4. How could the 8th Street entryway to Fernandina Beach be made more attractive?

Survey

4. How could the 8th Street entryway to Fernandina Beach be made more attractive?
5. What could be done to improve our two historic districts - Downtown and Old Town?

Survey

4. How could the 8th Street entryway to Fernandina Beach be made more attractive?
5. What could be done to improve our two historic districts - Downtown and Old Town?
6. What improvements should be made to surrounding neighborhoods, such as Atlantic Avenue, North 14th Street and the Southside (Peck) community?

Survey

4. How could the 8th Street entryway to Fernandina Beach be made more attractive?
5. What could be done to improve our two historic districts - Downtown and Old Town?
6. What improvements should be made to surrounding neighborhoods, such as Atlantic Avenue, North 14th Street and the Southside (Peck) community?
7. Of all the ideas you have shared with us, which one would have the biggest positive impact on Fernandina Beach if adopted by the city commission?

Survey

8. If the city commission were to agree with your priorities and ideas, would you be willing to consider paying for implementation via (*check as many as you would support*):

- Annual tax revenues
 - General obligation bond
 - Special taxing districts
 - Other
-

- I would not support any action that could result in increased taxes or a bond.

Survey

9. Would you, your business or organization be willing to offer resources, time and/or expertise to a volunteer effort to help accomplish some of the projects that may result from *Forward Fernandina*? If so, please provide your name and contact information below.
